

Sewing machine service technician

Duties:

- Servicing Brother sewing/embroidery machines
- Completing fault diagnosis and repairs as required
- Refurbishing part-exchange machines
- Provide telephone support to customers
- Completing servicing/maintenance records and receipts

Skills required:

- Mechanical experience or working with electrics would be useful
- Good numeracy and literacy skills (must be accurate for data entry)
- Good general computer skills

- Ability to prioritise and organise workload
- Ability to work efficiently without direction and keep a tidy work place
- Flexibility to cover weekends if required

This position requires the ability to lift heavy sewing machines.

Training will be supplied in house and at Brother Industries.

Please apply in your own hand writing and send with your CV to - Angela Lord, Lords Sewing, Oswaldtwistle Mills, Colliers Street, Oswaldtwistle BB5 3DE
